Expedition of the Thousand (Gods Pen and Pencil Series Book 3)

The discourse of health and wealth suggests a complementary alignment between practices that serve the public health of the community on the one hand, and private commercial interests of industry on the other hand. The color bar was no longer thought of as a physical difference, but far more dangerously -- in the end disastrously -- as an intellectual and spiritual difference.

Moms on the Job

I would weep because I felt something was happening, not knowing what to pray. Being reminded of who I am I personally get really encouraged by authors who bring scripture to life.
