I was interested enough in the plot at the end to not completely write off reading future books at the series, despite all the stuff I perceived as flaws in this one. This black beauty of a seahorse isn't just any ordinary seahorse. More by the artist Emile Antoine Bayard. The airspace command and control AC2 system is the airspace management component of the Army air-ground. On a more positive note, wind also introduces drama to the landscape and is capable of transforming the ordinary into the extraordinary.
